

SHORT TERM STUDENTSHIP (STS 2013)

Result

General Information

1. The list of students selected for STS 2013 program is displayed in order of their reference ID's. Kindly note this reference number for any future correspondence with the Council.
2. Each application was reviewed independently by experts for its scientific merit. Specific queries on reasons for rejection will not be entertained.
3. The selected students are expected to carry out their project work as early as possible in any **two months** between April to July, 2013.
4. Before beginning the research a clearance from the Institutional Ethics Committee (IEC) / or Institutional Animal Ethics Committee (IAEC) should be obtained, as applicable. If the Committee does not approve the student's project OR does not hold a meeting or the student does not have the approval due to any reason, he/ she should not carry out his/ her research till he/ she receives the approval. **Report on research carried out without ethical approvals shall not be accepted.** In case it is felt that research belongs to exempt category a "certificate of exemption" may be obtained from the IEC.
5. For all research on human participants/ samples/ data/ retrospective records, an Institutional Ethics Committee approval is required. In addition, an informed consent should be taken from the research participants. In case, it is felt that informed consent is not needed/ cannot be obtained, permission for **waiver of consent** should be obtained from the IEC before initiating research.
6. Research should be completed under the Guide who would take the overall responsibility for the conduct of the research, preparation and submission of report and the required enclosures within the stipulated time period.
7. In an event of the Guide leaving the Institute/College before completion of the project, the student may continue work under a new guide from the same department after obtaining permission from Principal/Dean. Permission of the Council is not needed.
8. Kindly complete the research at the earliest, so that the report can be prepared and submitted well in time. The student may use data collection cards, case study forms, questionnaires or any other study tools for research, if required.
9. Detailed instructions regarding preparation of report and its submission ONLINE will be available on ICMR website in June 2013. Students are requested to visit the ICMR website from time to time and comply with the updated instructions.
10. The decisions taken by Director General, ICMR shall be final and binding on all. No correspondence in the matter will be entertained.
